AAAC Rate Updates Impacted by Missing File Load on January 23, 2022

The following list of drugs were identified as having an AAAC rate change that was not transmitted to OptumRx by Myers and Stauffer on January 23, 2022. The AAAC rate changes have now been successfully implemented and all claims submitted on the below products during the "Date Range of Claims Impacted" column will be reprocessed by OptumRx. After OptumRx completes the reprocessing, any financial adjustments impacting your pharmacy will be communicated and reflected in your weekly disbursement of funds.

AAAC Rate Updates Impacted by Missing File Load on January 23, 2022

The following list of drugs were identified as having an AAAC rate change that was not transmitted to OptumRx by Myers and Stauffer on January 23, 2022. The AAAC rate changes have now been successfully implemented and all claims submitted on the below products during the "Date Range of Claims Impacted" column will be reprocessed by OptumRx. After OptumRx completes the reprocessing, any financial adjustments impacting your pharmacy will be communicated and reflected in your weekly disbursement of funds.

AAAC Rate Updates Impacted by Missing File Load on January 23, 2022

The following list of drugs were identified as having an AAAC rate change that was not transmitted to OptumRx by Myers and Stauffer on January 23, 2022. The AAAC rate changes have now been successfully implemented and all claims submitted on the below products during the "Date Range of Claims Impacted" column will be reprocessed by OptumRx. After OptumRx completes the reprocessing, any financial adjustments impacting your pharmacy will be communicated and reflected in your weekly disbursement of funds.

NDC	Label Name	BG	Old AAAC Effective Date	Old AAAC	New AAAC Effective Date	New AAAC	Dollar Change	Percent Change	Change Type	Date Rate of Claims Impacted
